

PUBLIC SPEAKING COACHING

Master the frequency of your leadership voice.

You have something important to say. Envision yourself saying it in a way that amplifies your leadership, identity, and value to others. This six-week one-on-one course is based on:

- **Honoring your identity** so you can be the best you that you can be.
- **Focusing on the communication process** to build a bridge between you and your audience.
- **Mastering the techniques** of articulation, voice, movement, and delivery.

Ideal for:

- *Emerging leaders who want to advance and command a room,*
- *Executives who struggle to align their communication with their expertise and authority, and*
- *Entrepreneurs and founders who need to develop winning pitches, inspire customers, and influence the market.*
